Petitioner-Plaintiff in Pro Per

**IN THE SUPERIOR COURT OF THE STATE OF ARIZONA
IN AND FOR THE COUNTY OF COCHISE**

JEFFERY HARRIS,

Petitioner-Plaintiff,

vs.

**THE CITY OF BISBEE, ARIZONA;
MAYOR, DAVID M. SMITH; and
MEMBERS OF COUNCIL, ANNA
CLINE, JONI GIACOMINO, JOAN
HANSEN, BILL HIGGINS, LESLIE
JOHNS, and GABE LINDSTROM;**

Respondents-Defendants.

Case No.: CV 2019 00052

**OBJECTION TO PROPOSED FORM
OF JUDGMENT**

Assigned to: the Hon. Laura Cardinal

The above-named Petitioner hereby objects to the Proposed Form of Judgment lodged by the above-named Respondents for the reason that it contains language that was not part of this Court's decision, determined in open court on May 9, 2019, at the Motions Hearing on Respondents' Motion to Dismiss, Harris' Motion to Strike Notice of Appearance of Respondents' Purported Legal Counsel *and* Harris' Motion to Strike Purported Respondents' Motion to Dismiss. Specifically, this Court did not rule (as Respondents propose) that Harris' two distinct Motions to Strike were somehow a single motion (in a single brief) or that any basis for a ruling on the controversy as to whether Harris had standing to bring his contract protest at the administrative level would somehow be a (finding of) "fact" rather than a conclusion of law. Any language not included in this Court's decision, as it was determined in open court on May 9,

1 2019, should be stricken from the Proposed Form of Judgment insofar as it does not pertain to
2 certification of finality pursuant to Rule 54(c) of the Rules of Civil Procedure for the Superior
3 Courts of Arizona.

4 DATED this 8th day of June, 2019.
